GROHE CONCETTO FEATURES

Concetto is an unbeatable blend of design and performance for budget-minded projects. It's also packed with our latest technologies including GROHE SilkMove® for precise handling and GROHE StarLight® for a radiant, brilliant shine. Youthful, fresh and dynamic, its dynamic and clean design creates a fresh, modern look that will add a contemporary touch to your bath.

Performance Features:

- The smooth, precise action of GROHE SilkMove® ceramic cartridge technology for lifelong, effortless water control. Lifecycle tested to over 200,000 operations simulating 14-20 years of typical residential use for a family of four.
- GROHE StarLight® technology creates a deep, luxurious chrome finish that is soil repellent, scratch resistant and non-tarnishing. The result: a color-fast, good as new appearance for years to come.
- GROHE DreamSpray® technology – advanced shower engines efficiently distribute an equal flow of water to every single nozzle for a shower experience that is second to none.

AN ADDED BENEFIT

ADA Features:

- Single Lever mixer and wideset faucet with overall height of less than 6", even with lever in open position
- GROHE SilkMove® cartridge and actuation force below 5lbs/22.2N for easy use for disabled/elderly people

PRODUCT FINISHES

Made-to-last surfaces ranging from precious matte to shiny like a diamond. GROHE faucets are guaranteed to look as beautiful decades on as they did the day you first fell in love with them. Continuous improvement over the last 75 years has seen our unique plating process refined to produce a robust and immaculate surface that is recognized as one of the best finishes in the world. This is thanks to rigorous quality controls and ongoing investment, giving you a lifetime of enjoyment.

GROHE StarLight® Chrome

000/001/00A

Bright and precise – the GROHE StarLight® chrome finish casts your bathroom in a very special light and for a very, very long time.

Brushed Nickel InfinityFinish™

EN0/EN1/ENA

Warm and worldly – the brushed nickel finish marries a minimalist aesthetic and cosmopolitan design to produce faucets that keep their finish the same as on day one.
