GROHE EUPHORIA SHOWER SYSTEMS

# GROHE EUPHORIA 310 & 260

Bring a fresh look and superior safety features to any bathroom with the updated GROHE Euphoria range of shower systems. Thanks to the FastFixation system with adjustable upper bracket the shower can be installed quickly and fuss-free, making it ideal for easy upgrades. The safety of the whole family has also been taken care of with GROHE CoolTouch technology, which ensures that the thermostat's body will never get too hot to touch, eliminating the risk of scalding. And with a slimmer, more spacious design, with more options to adapt to your personal style, GROHE Euphoria is the easy way to put the joy back into your bathroom.
